£ 390*

Discover the extensive possibilities of our servo drive CMMT

The Servo Starter Kit – This is how easy it can be!

Festo makes electric positioning easy with the CMMT Starter Kit. Discover all the options it has to offer, find out for yourself how simple it is to install, how extensive the multi-protocol network possibilities are (Profinet, EtherCat, Ethernet/IP and Modbus) and how intuitive the configuration software is.

Starter Kit contents

- Servo drive CMMT-ST-MP
- Stepper motor with absolute encoder EMMT-ST-42
- Motor cable (1.5 m)
